

PE- Gymnastics

Progression and Skills Document

EXAMPLES

PE is an essential part of the curriculum. It develops pupils physical competence and confidence and their ability to use these to perform in various activities. It promotes physical skill, physical development and knowledge of the body in action. PE provides opportunities for pupils to be creative, competitive, and to face different challenges as individuals, groups and teams. It engenders positive attitudes towards an active and healthy lifestyle. Pupils learn to plan, perform and evaluate actions, ideas and performances to improve their quality and effectiveness. Through this process pupils discover their aptitudes, abilities and preferred physical activities.
