

WHAT'S ON AT SCHOOL - 10TH MAY 2021

Important information for households undertaking LFT Testing: -

We have had feedback that it is possible to produce a faint false positive result on the LFD test kits if the throat is swabbed within 30 minutes of food and drink being consumed. In order to read an accurate test result the reading must be taken 30 minutes after the start of the test.

As the weather is getting warmer can you please ensure that you apply sun cream to your child in the morning before they get to school and also provide them with a sun hat and plenty of water. If your child can apply his or her own sun cream please send to school the sun cream clearly marked with your child's name and class. Many thanks

The £5.00 vouchers that were handed out to all children at Christmas have now been extended so that you can still use them until the end of Summer.

Please arrive no earlier than 5 mins before drop off and/or collection to ease the traffic a little and also if you could please make a prompt departure at the end of the day.

Can we also remind all parents to wear a mask at drop off/pick up. Can all parents also please maintain social distancing at these times. Since returning on the 8th March we have had a number of near misses with traffic outside school. Can we remind all parents to drive with due care and attention through the village and particularly with extra caution outside school. When dropping off your child please be extra vigilant as we have a high number of children arriving at the allocated drop off periods.
